

Label-Aire[®] 4000-TS Table Top Wrap

The **Label-Aire[®] Inline 4000-TS Table Top Wrap** labeling system is designed to offer you advanced features while also making labeling easier, faster, and more affordable...making your operation more profitable.

The Inline 4000-TS's sheer flexibility allows you to build a labeling system to fit seamlessly in your production line. The Inline 4000-TS also delivers on Label-Aire's long-standing promise of advanced features, toughness, speed, and accuracy meaning lower operating costs and increased productivity for your business.

The 4000-TS Table Top is a compact, mobile version of the Inline 5100TS, designed to offer the same advanced functionality, but in a smaller, more flexible package. Its portability and efficient design make it the perfect solution for environments with limited space, ensuring reliable results and versatility.

Designed for reliable full- and partial wrap labeling at medium- to high speeds, high-volume, multi-shift operations, the tough and advanced Inline 4000-TS delivers.

Inline 4000-TS Wrap Specifications

Dimensions:

Width: 31.5" (800 mm)
Length: 43.3" (1100 mm)
Height: 19.7" (500 mm)

Weight:

Approx. 330 lbs. (150 kg)

Standard Label Dimensions:

Web Width: 0.63" - 7.00" (20 mm - 178 mm)
